Integra S.A., based in **Zug**, is looking for a

## Chartering Manager

### Job Profile – Your Tasks:

- Chartering of Chemical and Gas ships on a worldwide basis, with a primary focus on Chemicals and gases West of Suez.
- Negotiation and execution of Spot Chartering, Time Charters and CoAs, including ISO Tanks and Barging Logistics for both Chemicals and Gas.
- Work together with Demurrage Claims Manager to review laytime calculations and assist in managing the company's demurrage exposure West of Suez.
- Work closely with Operations to support and assist the team with vessel related issues.
- Monitoring and following the dynamics of the shipping freights and flows.
- Propose trading opportunities based on shipping advantages.
- Production of reports when required and presentation within the company.
- Reporting into the Global Head of Chartering based in Singapore.

### Characteristics:

- Minimum 5 years of Chartering experience within Chemicals/Gases West of Suez, either as a Ship Owner, Charterer or Ship Broker.
- Operations background is preferred, but the Candidate must currently or recently be employed in a Chartering capacity.
- Excellent communication skills (close co-operation internally with Traders, Operators, Finance, Technical as well as external parties such as Ship Owners and Brokers on a daily basis).
- Flexibility and creativity in thinking.
- Self-driven individual with the ability to work independently and under pressure in a fast-paced environment.
- Fluent in English (spoken and written – company language is English), knowledge of other languages is an advantage.
- Ability to travel and to support Chartering colleagues in other regions when required.

If you are interested in the job and would like to work in an international trading environment, please apply via email to [HR@integra-global.com](mailto:HR@integra-global.com).
