Integra Petrochemicals Pte Ltd, based in **Singapore** is looking for a

Petrochemical Trader

If you enjoy working in an environment which values people as individuals and where mutual respect is part of the company environment, this may be the position for you!

Requirements:

- Min. 10 years of experience in commercial role(s) in petrochemicals physical trading, marketing, business development (industry and/or trading company background).
- Knowledge of logistics (sea going vessels/ barges/isotanks) will be a bonus.
- Ability to further develop business in Asia.
- Excellent communication skills to liaise with external customers and suppliers, as well as the team in Singapore, Asia, Europe and the Americas.
- Fluent in English (spoken and written), other Asian languages are an asset.

As a P&L trader you will be fully responsible for the proper execution of your transactions and developing a strong and constructive internal dialogue with the chartering, finance and operations departments is essential.

Product Group: Aromatics and/or intermediates (key products include styrene and ethylene glycols).

Characteristics:

- Dynamic, innovative and persistent
- Team oriented
- Self-motivated and driven by results based on repeat business

If you are interested in the position and would like a career in an international trading environment with learning and development opportunities, please apply via email to careers@integra-global.com.

Only short-listed candidates will be notified.
