We value team work, fast and effective communication, technical skills, market knowledge and an absolute commitment to customer and supplier partnerships. See more at: www.integra-global.com

Integra Petrochemicals AG, based in **Zug, Switzerland** is looking for an additional

Trader (Olefins/LPG)

If you enjoy working in an environment which values people as individuals and where mutual respect is part of the company environment, this may be the position for you!

Requirements:

- Minimum 5 years of experience trading preferably Olefins, LPG or related petrochemical commodities, in a trading or commercial role, with a proven track record of commercial success.
- Knowledge of logistics (sea going vessels/ barges/isotanks) will be a bonus.
- Ability to further develop business in Europe as well as between regions
- Excellent communication skills to liaise with external customers and suppliers, as well as the team in Singapore, Asia, Europe and the Americas
- Fluent in English (spoken and written), other languages are an asset.

As a P&L trader you will be fully responsible for the proper execution of your transactions. Developing a strong and constructive internal dialogue with trading teams, chartering, finance and operations departments is essential.

Characteristics:

- Dynamic, honest, straightforward, innovative, persistent and goal orientated individual.
- Team oriented professional with proven ability to work across global cultures as part of a team.
- Self-motivated and driven by results based on repeat business and attention to customers needs both spot and contract.

If you are interested in the position and would like a career in an international trading environment with learning and development opportunities, please apply via email to careers@integra-global.com.

Only short-listed candidates will be notified.
